**Please note** all families leaving Salisbury Heights at the end of this year are not required to complete the voting slip and will not receive a polling letter. Thank you for your support.

**Charities Day**

Students will be able to select from a variety of food, games and stalls to purchase things. Hopefully the weather will also be kind to us. Thanks to all the community for your support with donations and money to buy from the stall.

We will be presenting cheques to this year’s charities at assembly over the next couple of weeks. This year the students have chosen to support Women’s and Children’s Hospital Foundation and the Animal Welfare League.

**Remembrance Day Assembly**

On Wednesday 15th November we will be holding our Remembrance Day assembly. It is always a very moving assembly and very important in educating our students to understand the significance of those who gave their lives so ours could be better. We always have good parent attendance at this assembly. This year we will hold our acknowledgement on the first Wednesday after the actual day, 15th November.

**Parent Helper Morning Tea – Thursday 16th November**

Invitations have gone out to parents and volunteers who have given their time to support the school in many different ways. If you have volunteered in some way and have not received your invitation please pop into the office and collect one. It is always a very pleasant time and a very important chance for us to say thank you to our wonderful volunteers and acknowledge the amazing contribution they
make to our school. It is also an opportunity to chat to staff in an informal environment and enjoy some morning tea together.

**Transition**

We currently have 68 new receptions enrolled to start in 2017 which is fantastic. They will be beginning their transition to school in week 5, **Wednesday 15th November**. We are expecting the first transition visit to be extremely busy.

Miss Tania, Mrs Routleff and Mrs Spartley will be taking the transition groups in rooms 1,2 & 4 and will be assisted by Sue Moss, Sharon Knowles and Katrina Hogarth. The current reception students will be involved with a special program with Ms Nguyen and Ms Coard both of whom have worked with the classes.

*Excellence and Care*
Room 7 has been busy this year and would like to share some of our favourite moments from 2017

**OUR CARE BEARS**

Care Bears are Teddies which we made with shredded paper, a sock, 4 rubber bands, 2 pom poms, 2 eyes, 2 pop sticks and a piece of paper. We did it in Week 3 Term 1. We had snow in our class with the shredded paper while stuffing our teddies with it. We had lots of fun making them and wrote a story about it. – Anabelle, Jema, Keli

**SWIMMING DIARIES**

Swimming week was fun mainly because it took away most of the morning lessons. My favourite part was getting in the water and wearing flippers because it enabled us to go faster. I was nervous when they tested to see which group we would be in. Overall it was a great week. - Isobel

Room 7 had a lovely week of swimming lessons at the Aquadome. In the hot weather the water was very refreshing and lovely. Everyone enjoyed the lovely instructors. We had a great time learning new things and techniques. We also got to try boards, balls, life jackets and noodles. - Paige

Swimming was the best. My favourite bit of swimming was the awesome big slide. When I got there I was really nervous because I couldn’t swim, but I learnt. This year’s swimming is the best I’ve ever had. I wanted to do more swimming but there is always next year. - Sierra

Our Zoo Visit

In Term 2 we went to the Adelaide Zoo. We saw lots of animals like monkeys, meerkats, panda, seal and lots more. We went for the whole day travelling in a bus. At the Education Centre people from Flinders University did a play for us.
- Aimee

Book Week Parade

In Book Week we went to the Parade and I thought the funniest pair of costumes was my friend Keli and me. I was a Pokémon and he was a Pokémon trainer. It was funny because I was following him everywhere as he was my master. Other costumes were Harry Potter, AFL Players, unicorns and many more.
- Tia

Assembly – Term 4

On 25th October we were performing the Fight Song. It was cool because everyone was doing all the moves at the right time. And it was nice and loud.
- Logan

On Wednesday 25th October Room 7 and Room 11 did the Fight Song and we performed in front of the whole school. It was really scary the dance moves were fast and slow.
- Cleopatra

Our term 4 assembly was lots of fun. We found the Chicken Dance amazing fun. We also liked the Fight Song but not as much as the Chicken Dance. We let the whole school join in the Chicken Dance. Overall it was a big success.
- Kiara

On the 26th of June Rm 7 and Rm 11 went to the Adelaide Zoo. We went into 10 groups; every group had lots of fun together.
- Olivia

In Term 2 Room 7 and 11 went to the Zoo. We had so much fun and all of us had maps. We went to see the lion, it roared at us. It was cool and fun.
- Tia

This year Book Week was fun and I loved it. I was a unicorn and it was cool. My class loved it too, we had fun dressing up.
- Jessica

For Book Week there were awesome costumes. Some people dressed up as Minecraft characters, animals and some as princesses.
- Abby

Would you like some DanceFit photographs?

Dance Fit was a brilliant experience for the students in rooms 10, 6 and 13! We are sure you will agree it was a spectacular showcase.

We do hope you enjoyed it and felt proud of your child’s performance.

Many high quality images were captured during the shows that we would love to share with you. Individual photos were taken of each dancer prior to the production, as well as many images of the students whilst performing in the hall.

If you would like a copy of a selection of the photos, plus individual photos of your child/ren, we can copy them for you onto a USB (you need to provide the USB).

Please see Cathy Grieve in Room 33 after school (3:00-3:30) on these days:

Friday, Week 4 (November 10)
Monday, Week 5 (November 13)
Wednesday, Week 5 (November 15)

Bring along a USB and Cathy will copy the photos onto your USB for you. If you need to arrange an alternative time, see Cathy to organise this. We hope that many of you will take advantage of collecting these amazing memories!
