We look forward to seeing many of you at the disco on Friday night. Please remember there are no ticket sales at the door and you must be on time to pick your child/children up. We appreciate your support with these matters.

**Scholastic Book Club Issue Term 3 2017 – Katrina Hogarth**

Book Club Brochures were distributed to students today, Friday 25th August. If you would like to place an order, please return the completed order form with payment prior to **Monday 4th September, Week 7**. Unfortunately late orders cannot be accepted.

Please allow 2-3 weeks for processing and delivery of your order.

**Father’s Day Stall – Parents and Friends**

The Father’s Day Stall will be open on Monday 28th August for students to purchase in their class groups. Prices range from 50c to $10.00. Students are asked to bring a bag for their purchases.

The stall will be open Tuesday to Friday 8:30am-9am and Tuesday-Thursday 2:30pm to 3:30pm. Raffle tickets are available at 50c each. All donations are welcome and appreciated.

**Graduation Bears**

Please don’t forget that all orders need to be received and paid for by the **Friday 15th September** through the Finance Office.

**DanceFit Performance, THANK YOU!**

On the 16th and 18th August Rooms 6, 10 and 13 students performed a series of dances in full costume to the entire school and their families. It was an amazing and wonderful experience for our students to have and wouldn’t have been possible without the support of the school and a group of wonderful volunteers.

We wish to sincerely thank everyone who has helped us over the last 3 terms. Your contribution has been invaluable whether it has been sewing, fitting, supervising, organising, dressing or cutting material! Thank you to….

"Excellence and Care"
Jeanette Pethers  Rebecca Clark  Anna Cliff
Amy Dean  Lityh Gallagher  Zita Austrauskas
Sheree Short  Bec Battersby  Donna Carpenter
Zoe Hutchings  Sarah Clark  Alice Unger
Donna Ralston  Natasha Pilkington

Thanks also to Brayden Brightwell and Connor Blades for supporting us with sound and microphones.

A special thank you to Dance SA’s Emma Staltari and dance teacher Sian Jackson.

An event such as this is only possible by the kindness and generosity of those who volunteer their support.

With Sincere Thanks,
Karen Thurston, Catherine Kuzyk, Di Nuske and the students of Rooms 6, 10 and 13.

Woolworths Earn & Learn 2017

This year we will be participating in the Woolworths Earn & Learn program. Through this program we will be able to get new educational resources for our school/early learning centre – and all we need you to do is shop for your groceries at Woolworths.

From Wednesday 26th July to Tuesday 19th September we are collecting Woolworths Earn & Learn Stickers. You will get one Woolworths Earn & Learn Sticker for every $10 spent (excluding liquor, tobacco and gift cards). Place the Woolworths Earn & Learn Sticker onto a Woolworths Earn & Learn Sticker Sheet and when it’s complete the Sticker Sheet can be dropped into the Collection Box here at the school or at your local Woolworths.

At the end of the promotion, we’ll be able to get some great new equipment. The range is extensive and offers lots of items ideal for our students – including resources for Maths, English, Science and some fantastic fun supplies for Arts & Craft, Sport and for our library. If you’d like to know more visit woolworths.com.au/earnandlearn

Wendy Bailey  Coordinator

Commonwealth Student Banking Award Winners

Week 4  Room 31
Week 5  Room 7

Banking day is Thursday. Joining up is easy to do online or you can talk to our wonderful volunteers in the library on Thursday mornings.

Canteen News – Mandie & Catherine

From 1st September until Thursday 7th September we will have special Show Week Lunch Packs available. No Pre Order is necessary. We will be offering a Ninja Turtle Deal and a Butterfly Deal. Both meals come with a choice of homemade pizza, healthy snack and a fruit box for $5. Pictures and more details will be posted on the Canteen boards next week.

Bi-Weekly Special for Weeks 5 & 6 – Homemade Beef Lasagne

Bi-Weekly Special for Week 7 & 8 – Chicken Schnitzel with Mash and Gravy.

We would also like to remind you that the the Canteen Surveys are due back next Wednesday 30th August.

Program Achieve Assembly Awards – Amber Arruzzolo

The following students received Program Achieve Awards at assembly….

Includes:
Fruit Box – Apple, Orange or Apple/Blackcurrant
Pizza – Ham/Pinapple, Salami & Cheese or Chicken Supreme.

Choice of either Apple or Butterfly Snack Bag

MYSTERY PRIZE WITH EVERY BAG

"Excellence and Care"
Book Week was launched this week with our annual Book Week Parade on Tuesday morning. So many wonderful costumes, every year the students and staff go out of their way to dress up in great costumes. Minons, Star Wars characters, Mary Poppins, Pirates and a Dinosaur not forgetting the Harry Potters and Hermoine Grangers.

Almost everyone stays in character throughout the day which makes for a very colourful school. We hope the parents and friends that were able to attend our Book Week parade had a wonderful time.

The Two Amigos, the Cat in the Hat with Cruella D’Ville

I’m seeing double Hermoine Grangers!!!

First Book Week Parade for our Reception students

The cabin crew are delightful but the pilot needed a map!

Constable Cooper just nabbed himself some ‘prime suspects’.

“Excellence and Care”
Mr Gilder’s Room 31

Adelaide Zoo by Renae and Leah
After we went to the Adelaide Zoo, we were assigned to make a diorama with an animal of our choice consisting of the ones in the zoo and place it in its natural habitat. We used resources such as rocks, bark, tissue paper, paint, sticks, paper, foam, leaves and clay. We used our imagination to create our animals environment like using cotton balls as clouds and clay to make the animals.

Then we had to write a paragraph about the animal we chose and include things such as what they eat and how they have adapted to their natural environment. How ducks have webbed feet and they live in water, how orang-utans have long arms and legs with good grip that helps them to swing off branches and vines. We conducted peer group assessment on our dioramas and people gave us positive feedback about our presentation.

Our Class Fitness by Daniel and Mia
Every day Mr gilden’s class and Mrs Markis class goes out to the asphalt to play a game called kickball. Fitness is important because it keeps us fit and healthy. It also stimulates our brain and gets us ready to work. It also keeps our bones healthy as well. Fitness teaches us new skills and makes us better at kicking and catching the ball. It also helps us gain confidence. Fitness is really fun to play.
Australia as a Nation by Emily and Holly
In Term 2 our class did an assignment called Australia as a Nation. The year 6’s had a different assignment to the year 7’s but they were both similar. The assignment consisted of four topics. These were the Gold rush, Vietnam War, child Migration and Assimilation. Some examples of year 6 questions were, “Draw a map to show where the migrants for the gold rush went and where they settled in Australia” and ‘to create a poster illustrating assimilation in Australia”. Some examples of year 7 questions were ‘to examine the migration to Australia by people from one European country and one Asian country’ and why did the Australian Government encourage immigration during the gold rush?” Some questions were the same in both assignments such as to define assimilation and to examine two industries that Vietnamese people became involved in when they settled in Australia.

Changing Fractions to Percentages by Liam and Jacinta
Our class has been looking at the relationship of fractions, decimals and percentages. We have learnt to change fractions to percentages. You multiply the fractions by 100 over 1. The one has to be used because it stops you from being confused when you multiply it by the other fractions. The answer you obtain is a percentage.

Angles by India and Persephone
In class we constructed angles such as 60, 90 and 120 degrees using a compass. We also have learnt how to bisect and angle by using a compass such as; 60 degrees makes 30 degrees if you bisect it. Then using a protractor to make sure it is correct. The names for some of the angles are called Acute, right angle, obtuse and reflect. With all angles there must be a curve at the corner of the line segment only if it is an Acute, obtuse or reflex but if it is 90 degrees there must be a cube in the corner of the line segment.

English – Jacinta and Ashlee
In English our class goes through the new list words every Monday and sound them. This process helps us learn the words and remember them. Another way we remember our words is a Pre-test. Two people run the test and say ten words each. Every week or so in class we write narratives and have three choices to pick from such as ‘Down-Hill Race’, ‘The Other Self’ and ‘The Party That Went Wrong’. Sometimes Mr Gilder makes us read our stories to the class which is interesting and entertaining. Poems are very funny to write and also hard. They are also very funny to read here are some examples.

The Kitten
I met a kitten which was soft as a mitten,
I named him Kelly like on the Telly,
He has dark blue eyes and loves eating pies,
He jumps on your bed and licks your head,
He sleeps like a sloth on his dirty cloth,
Kelly is a crazy cat who even wears a red hat.

The Snow
The air is colder than the freezer,
The ice is as thin as paper,
The snow is a light as a feather,
But my hands are as warm as the heater.

In class we have Guided Reading. A group of people sit at the front of the class with Mr Gilder and go through books. Here are some of the books we have read: ‘Dances of the World’, ‘Lights, Costumes, Music, Action’ and ‘In Character’.
